Many Interested in Formation of Egg Circle

There were over fifty in attendance at the meeting arranged by the local Agricultural Society in the Claresholm School of Agriculture on Monday afternoon, the object being the formation of an egg circle in this neighborhood. The meeting was presided over by Principal Stephen and C. P. Marker, provincial dairy commissioner and G. W. Scott, provincial dairy inspector, addressed the meeting. Mr. Scott confined his remarks to sound advice on the production of eggs while Mr. Marker dealt with the marketing of eggs. At the close of the address the matter of forming an egg circle was taken under consideration.

Mr. Marker disclaimed a desire on the part of the government to interfere with any of the regularly established functions of commerce. In the opinion of the producer of today, the greatest objection to the present system of marketing is that the discriminating consumer's quality buying does not come down to the buyer who is in direct touch with the producer and the producer is not rewarded for an effort to produce a superior article nor is he penalized for the production of an inferior article. This conduces in the direction of an indifferent product. He classified the customers of the retail dealer as the "fancy" buyers, the "average" buyers and the "bargain hunters." The producer does not come in touch with these classes but receives for his produce an average or minimum price, the classification being done higher up. Co-operative selling is designed to eradicate this very evil influence and to teach the producer that it pays to produce the fancy article for a fancy price. The farmers are willing to let the middleman of commerce attend to the distributing if the middleman will but fairly properly their functions and give the farmer a square deal. In the present system the farmer who sends good eggs to the market has to stand on the same plane of equality of price as the one who sends bad eggs to the market.

The speaker had placed two object lessons, each being a object in mathematics with a solution very patent to all, upon the blackboard. Out of a shipment of 51 dozen eggs which were classified by the government experts at Calgary, a sample of 21 dozen were classified as "selects," the price being 24c for this class, selling for \$5.04; 28 dozen, and 11 eggs were called No. 1, price 22c, total \$6.36; 11 eggs graded No. 2, price 17c, total 16c; there were 2 bad and 5 eggs, cracks, 20c, total 25c; 9 were broken. The shipment sold for \$11.80. The cost for freight and classification was about 14c per dozen. In the co-operative marketing of eggs instead of everyone getting one 16c for eggs, good, bad and indifferent, the production which was classed "selects" paid to the producer 24c, while the marketer of the poorer quality while he was to be content with a correspondingly lower price. As one of the speakers said during the debate, if the truth was assured he would get quality prices he would mighty soon learn how to produce quality articles.

The other illustration brought out the same point. The principal of the egg circle was explained by Mr. Marker and questions were asked which were answered by him. The fact was brought out in one of these that the member of the egg circle is not bound to sell his eggs to the government but storage and less it is to his interests so to do. If the prices of the local dealers are better that is the market in which

(Continued on page 8)

Municipal Hail Insurance

A circular letter has gone out to the ratepayers of the Rural Municipality of Argyle, a part of which letter refers to the provisions made for hail insurance. The municipality hail insurance plan was adopted by representatives of 24 rural municipalities at a meeting attended by the nerve of such municipality. These meet once a year and appoint two of their number on the Hail Insurance Board, the provincial government appointing a third. The three elect a secretary upon whom the greater part of the interim work falls. The present secretary of the hail insurance board is J. H. Lamb, Edmonton. The board is in full control of all business appearing to hail insurance in these municipalities. This board decides upon the rate and the secretary procures insurance for the year in the municipality. The tax is 5 1/2 cents per acre. The indemnity is \$6.00 per acre. In case of loss, J. H. Lamb, Edmonton, should be notified. This tax is compulsory, as is the compensation.

Claresholm View

Fred Larsen has returned from Washington where he has spent the winter.

Matt Stephen has left the employ of W. F. Cook with whom he has been working all spring.

Jacob and Mrs. Schumacher spent Saturday and Sunday at the home of Mr. Schlosser, north of Stavelly.

The basket social held for the benefit of the Balfour hall team was not very well attended and the manager threatens to resign and join the federals.

Edwin Gable met with a painful accident recently. He was returning from town, driving a four-horse team and sitting on the front of the grain tank. The horses became frightened and dragged him from his seat, two wheels of the wagon passing over him. No bones were broken but he was painfully bruised and is confined to the house with his injuries.

Man Hunt Still On

While the mounted police are keeping in close touch with every new development and rumor concerning the third bandit of the Exshaw gang, up to date they have effected no capture. The man hunt still rages around Morley, and there is little doubt that the hunted man is in that section of the country. However other parts of the foothills are also being patrolled and rumor has it that the fugitive was thought to be west of Claresholm making his way south. The local police are on the look out.

As Heard in Table Butte

Owing to the absence of the pastor, there will be no church service on the 31st.

L. F. Clifford and A. F. Maddocks have completed drilling a well for W. A. Scott and are now busy with one for William Richardson.

A. E. Rodgers got an abundance of good water at a depth of thirty feet. Mr. Wikstrom did the drilling and he is now drilling one for Mr. Dulka.

A meeting of the school board was held in the schoolhouse on Friday afternoon. Miss Richardson, the present teacher, has been re-elected for another year.

The Advertiser Family phone at Claresholm is number 7. We want the news. Use it.

TO-DAY HIS MAJESTY'S 49th BIRTHDAY

GEORGE THE FIFTH, by the Grace of God, of the United Kingdom of Great Britain and Ireland, and the British Dominions beyond the Seas, King, Defender of the Faith, Emperor of India.

King George the Fifth was the second son of Edward the seventh, having become heir to the throne of this empire on the death of the Duke of Clarence, his elder brother, in 1892. His majesty was born at Marlborough House, London, on the 3rd of June, 1865, so that he has attained the 49th year of his age. On the 6th of July, 1893, he married his second cousin, daughter of the Duke and Duchess of Teck, and there are six children the issue of the marriage, of whom only one is a daughter.

King George ascended the imperial throne on the death of his father, on the 6th of May, 1910, after a reign of nine years. Whilst his elder brother joined the army, King George entered the navy, and gained promotion by merit.

He has proved a wise and tactful monarch in facing several complexities that have arisen during his reign, and at the present time his peace of mind is considerably disturbed by the crisis in Ireland and the outrageous tactics of the militant suffragettes.

He has done much to improve both the financial condition of his employees and the housing of his subjects, and takes an active and personal interest in all that pertains to the advancement of the welfare of the empire and the people committed to his charge.

Organize Branch W. A.

At the home of Mrs. R. A. Hopkins on Tuesday evening, the ladies of Emmanuel Church of England mission met for the purpose of organizing a branch of the Women's Auxiliary. Those present were Mesdames R. A. Hopkins, Willis John Colbroth, Murray, F. Keiser, Waterson, McNally, Allen, Win. Huston, Ditto, Johnson, Cornick, Rev. H. Henderson explained the objects of the society to be paying for missions, aiding in the interesting of women in missionary work, diffusing missionary intelligence, increasing missionary zeal, regular attendance at all church services, bringing friends to the meetings. The officers and delegates must be members of the church. The officers elected were: Mrs. John Colbroth, President; Mrs. Frank Keiser, Vice-President; Mrs. Huston, Secretary; Mrs. R. A. Hopkins, Treasurer. The first three ladies were appointed delegates to the annual meeting of the Calgary Diocesan branch of the W. A. which meets at Calgary, in Page Hall on June 2-4. Meetings are to be held monthly on the first Friday. The next meeting will be Friday, June 5th. At the close of the meeting refreshments were served—Steady Advertiser.

Examination Centres

Departmental examinations for Grades VII and X will be held this year on June 22, 23, 24, 25, 26, 27, 28 and 29 at the following centres in this neighborhood: Claresholm, Stavelly, Graman, Nanton, Carmanagay, Champlain.

The examinations in these two grades will be conducted at the same centres during the same days and under the same presiding examiners. The Department will supply the required foolscap, drawing paper and ink, but candidates are advised to provide themselves with rulers, compasses, penholders etc.

Candidates who have not already selected one of the above centres should advise the Department at once at which centre they desire to write.

The sale should have been reported a week ago of the Blackfoot place to J. M. Soly, the consideration being according to report in the neighborhood of \$25 per acre. W. E. Atkinson, late of Bonanza, Alta., a son-in-law of the purchaser, is in charge of the farm and is preparing for summer-fallowing the most of it. The deal was put through by the Claresholm Realty Co.

South-Western Football League

TEAMS	STANDING OF THE TEAMS

N.B.—No account has been taken of protested games as the protest board has not decided whether these three protests shall be allowed or not. The above standing represents the play of the league to date regardless of protests.

Revised List of Stations

The revised list of stations as approved by the Methodist Conference on Monday last is given below, only so far as the district in the immediate south is concerned:

MACLEOD DISTRICT
Macleod—Austin D. Richard, B. A.
Macleod, South—J. A. Barker.
Badger Flats—One wanted.
Claresholm—James H. Harrison.
Picher Creek—Alfred A. Lytle.
Fiddlers—F. J. Haigwood.
Tennessee Coulee—One wanted.
Livingstone—T. W. Reed.
Bellevue—F. T. Cooke.
Hillcrest—T. Hunt.
Frank—William T. Young.

HIGH RIVER DISTRICT
High River—Robert W. Dalgleish, B.A.
Okotoks—C. E. Rogers.
Tongue Creek (W. F.)—G. L. B.
Brant—S. S. Post.
Strat—A. L. S.
Queenstown—T. Anderson.
Champion—G. G. Doske.
Carmanagay—R. G. Merriam.
Horsville—C. J. Derivon.
Sweet Valley—C. S. Pinder.
Cayley—Cyril Eason.
Nanton—To be supplied.
Parkland—G. J. Hoskins.
Stavelly—John M. Fawcett.

LETHBRIDGE DISTRICT
Lethbridge (Westley)—George H. Coldwell, M.A.
Lethbridge (Westminster)—Joseph B. Francis.
Cochrane—J. V. Hovey.
Tasler—Frank E. Boothroyd.
Retlaw—J. C. A.
Rosemead—E. J. Staley.
Iron Springs—C. J. Faulkner.
Kipp—To be supplied.
Monarch—Allison Ridge, to be supplied.

Barons—George G. Pyles, B.A.

Woodhouse

J. M. Workman has been re-appointed provincial weed inspector.

The C. P. R. have a steam outfit reducing the grades between Woodhouse and Claresholm.

Geo. Gibson, of Kimball, Alta., has sold his land in that district and is purchasing in the Claresholm district where he intends to make his home.

W. D. Trego, from near Gleichen, visited J. M. Workman this week. Mr. Trego was louted by Mr. Workman when he came years ago from Blackfoot Idaho.

A joint program will be rendered in the church on Sunday evening, the young woman's branch and the young men's branch of the Mutual Improvement Society of the church, uniting in the exercises.

The crops on all spring plowing are in need of moisture. The crops sown on properly formed land will stand the drought another ten days or so. The outcome of it seems to be so vigorous. An estimate of five per cent would more than cover the damages in this district.

Swatting the Gophers

With a view of encouraging the destruction of gophers by the local improvement district No. 99, Macleod, the commissioners at a recent meeting decided to offer four prizes to the person securing the greatest number of tails. The first prize is \$10, the second \$10, the third \$5 and the fourth \$2.50. The stipulations and conditions are that the gophers must be killed within the limits of the district before July 1 next.

Lost the First But--

It is a sad story to tell. These slaughter was complete. These Graman boys shall follow with them with a smile like a five barrelled gun. But we deserved it and they were entitled to their smile. Graman baseball team with a horde of fans from that town came up in cars last night and on the local demand a miniature "slaughter of the innocent" took place, the score, 21 to 8 in favor of Graman representing the extent of the disaster. What is the reason for the local team losing the first game in the schedule of the Oil Belt League?

Graman team was made up of veterans in the game, no "luck fever" or "stage fright" in theirs. Claresholm had a number of the younger and more or less untied players. Then the Graman bunch took the game seriously while our own team did not seem to get down to real earnest effort at any time of the game. The lack of practice told disastrously upon the home team while the Graman boys have been at it assiduously with the thought of defeating their ancient enemies right from the start. The diamond was not in good shape, an inch of loose material on the surface accounted for some bad fumbles of grounders. The need of water and rolling was most manifest but under the circumstances the management could not help this. Claresholm's pitcher has but recently come from a sickbed and while Martin pitched shut-out ball in spite, his moments of loosening up hurt. On the other hand his support was enough to take the heart out of any mound artist. Claresholm lacked practice, ginger and lead.

There would be no use speaking particularly of the members of the team for bases, fouls, errors and hard luck spots were fairly well divided among the players of both sides but the Claresholm skippers were the most costly. A glance at the score by innings will tell the tale fairly well.

Claresholm 1 0 2 0 1 2 0—8
Graman 0 6 0 3 0 4 5 9—21
And now to turn the other side of the shield. It has been often proven that a defeat at the very beginning draws together the fates, spins them to more determined action and eventually brings about victory. The boys of this town can play ball. They need practice and a little more of what the Frenchman calls "esprit de corps," and by the time that the next game comes around, it is a surety that the Claresholm fans will be given an opportunity to cheer a victory.

Results in the S-W. F. L.

Two well-balanced, hard-working football teams struggled in the wind this afternoon for honors on the local field and the most enter could do was to draw. High River and the locals each scored one goal in the first period. The line-up was:

High River Positions	Claresholm	
Waller-Dod goal	Parrott	
Anderson backs	Batemun	
Graham	Moffatt	
Jed	halves	Proven
Felso	Bryan	
Lawless	Buckingham	
Downgrade forwards	Cummings	
Doy	I. Clark	
McCald	Linton	
Belan	Graves	
Alford	Callaghan	

The game at Macleod with Stavelly was won by Macleod, 2-0.

The Hadsen row on shipyard at the harbor of Victoria will not be permitted to land by orders of the Dominion government.

WEDNESDAY, JUNE 30, 1914.

HAVE BEEN GENEROUS TO TOWN

It was our intention to have commented last week upon the Band Day, but time and space forbade. The services of the band were given without charge at the Victoria Day sports. The weather conspired to make it the most disagreeable for playing but in spite of the mouthfuls of that element, the players of the band kept in the midst of the instruments, the blating of the music and the other discomforts, the band boys remained at their post and endeavored to make the best of a very disagreeable situation. They met with success, for their reward in the response of the citizens and the visitors to the requests of the tag soldiers. The proceeds of the day amounted to about \$70, for which the band is thankful.

To remove some misapprehensions which have found lodgment in the minds of some, we make the statement that the Claresholm Band has not been run to make money for the players. No council grant has been given to this band since its reorganization in 1913. No public subscription has been taken. Practically no revenue has been received from engagements to play. The boys in the band have been contributing their time and money to build up an organization of which the citizens need not be ashamed. They have a good leader. They are faithful in practice. They were confronted with debts of a former band to which they felt heir. They have been paying and are paying off every indebtedness against the organization. For uniforms, they recently paid \$80; their unsuccessful attempts to raise money by concerts or dances which on account of the poor patronage of the citizens left them out of pocket, and with a deficit of about \$15, have been traversed by the tag soldiers, and in a drumhead, etc., they have paid out over \$12; they have secured music at a cost of over \$15; it is the desire of the individual player to repay to the town the amount advanced several years ago on 10 instruments and because of the personality of the particular instrument each player. Therefore the band and its treatment of the citizens merits the sympathy and support of every man, woman and child in this town.

Heading letters announcing the holding of any entertainment, or public gathering at which a fee is charged not for general charitable purpose, but which is intended to increase the financial standing of any organization which is of a semi-private nature, such as a club, lodge etc., societies will be inserted as news matter upon payment of 10c. a line for first insertion and 15c. a line for subsequent insertions. Legal advertising is 12c. a line for first insertion and 8c. per line for subsequent repetitions of the same. Remember every inch of this paper, one column wide, costs us over 15c. to print.

Will the citizens of this town who like to see items of personal interest appear in these columns, make use of Phone 7 to inform us of any little happenings of a local nature which may come under their notice. We are not able, no matter how we try, to get in touch with every little local happening and it is the desire of The Advertiser to chronicle these faithfully week by week. Help us out a little.

Beat the Town by Boosting Your Home Page. Subscribe Today.

The official announcement has been made that Canada's next Governor-General is to be His Serene Highness Prince Alexander of Teck, leader of Queen Mary. The Prince's wife is Her Royal Highness Princess Alice, daughter of the late Duke of Albany. The prince and princess will be the youngest occupants which Rideau Hall has ever known, as the prince is only forty-four and the princess thirty-one. They have two small children. The prince was educated at Eton and the Royal Military College, Sandhurst, and served in the Matabele war in 1896. He also served in the South African campaign, and acquitted himself with credit. There has been some criticism of the appointment in Canada, upon the ground that we do not need nor desire that the social system connected with British royalty should be transplanted to Canadian soil. We think that most Canadians will agree with the contention, but there seem to be few who have any very grave fears that this result will follow the appointment of any royal personage to the Governor-Generalship of the Dominion. No doubt Ottawa may be more or less affected, but Canada is a good deal bigger than Ottawa; and our people are, and undoubtedly will remain, democratic to the core. —The Christian Guardian.

In this issue we have devoted little space to the egg circle movement because it is of interest to our large circle of farm readers. If the scheme is of benefit to the farmer, we wish to further it and we have given as far as our space permitted this week, anything which would be of benefit to the farmer to lead him to a wiselier, carefully considered decision. The judgment upon the plan rests with the reader.

Operation of Egg Circles

The manager of the circles is the individual upon whom rests the greatest responsibility for the successful operation of the circle. He is appointed by and directly responsible to the Board of Directors. His remuneration is fixed from time to time by way of salary or commission as arranged.

The members stamp the eggs the manager receives them and slips them to the Department at Calgary where they are graded. For most of the eggs is made one week in arrears, at the price prevailing at the time of collection. The delay of a week or at least until next collection is necessary so that the eggs may be graded and paid and payment made accordingly. In most circles the manager receives or collects the eggs at stated intervals, but in some, the members deliver the eggs to some central point such as a creamery, a cheese factory, a store or a house, from which places the manager takes them and ships them. The system of management however rests with the local circle and can be arranged to meet local conditions.

Owing to the fact that the manager handles most of the money he is usually appointed treasurer of the association as well.

Final Figures in Empress Disaster

Quebec, June 2.—The final complete official figures furnished by the C. P. R. company late tonight of the Empress of Ireland disaster show a total of 452 dead, making 1,024 lost as the total number on board was 1,476 passengers and crew. The following is a summary:

The rescued—First class, 36; second class, 47; third class, 136; officers and crew, 233.

The missing—First class, 36; second class, 200; third class, 582; officers and crew, 180.

Identified dead—First class, 22; second class, 31; third class, 90; officers and crew, 12.

When the Empress of Ireland sailed from Quebec last Tuesday afternoon she had on board 1,476 souls, as follows:

First class, 92; second class, 256; third class, 718; officers and crew, 418. Total 1,476.

FURMAN

This is the busy season at the mill. Twenty-eight teams were at the mill for lumber on Tuesday.

P. Burns has placed over 1700 head of cattle on the WR ranch and will double this in a few days, the cattle being on the way.

The Foothills Lumber Co. have increased their capital stock to \$75,000. A program of development is under way.

Branding of cattle took place on the Horseshoe ranch this week, over 200 head coming under the iron. Fred Burton also branded over 300 head.

W. A. Lyndon paid an official visit to this neighborhood and warned the settlers of the regulations regarding protection against forest fire.

Miss Joy, who has been in charge of the Barton school, is leaving at the end of the month. She will go to friends in Saskatchewan. Miss Joy will be very much missed in the social life of this community.

It is reported that Wm. Davis has been engaged as manager for C. D. Hardwick. Mr. Davis has shown a very progressive spirit in his own affairs and will be a decided acquisition to the Hardwick ranch.

This district has not escaped the oil excitement that has swept the province. Filings have been made everywhere on both sides of the ridge. A company is being formed of local ranchers to test for themselves. Oil seepages are common, one man having a little spring of oil with which he grows his boots.

Road survivors for the provincial government were in this neighborhood last week with the intention of beating a road from the end of the present surveyed highway to the mill, up the Andrews' corral and also through the B. Ron ranch to the mill. This latter road is very much in need of permanent location and repair as it is the only available route for the settlers who haul lumber from the Foothills Lumber Co. mill.

The Stavelly Advertiser wants correspondents. If you are not in a position to represent your community as our correspondent, write us and suggest some one whom we can interest in this matter. Your district needs the correspondent; we do too. Phone us or write us right away.

B. C. CAFE WILL MOVE

HOP SING HAS PURCHASED THE ANNABLE STORE, and will move to the new location JUNE 1st, 1914. To reduce stock, for the next two weeks PRICES WILL BE REDUCED on the large and well-sorted stock of TOBACCOS, CIGARS, CONFECTIONERY, CIGARETTES, CANNED GOODS.

OUR SODA FOUNTAIN IS NOW IN OPERATION—SOFT DRINKS, Cool and Sparkling FRESH FRUIT DEPARTMENT—Strawberries, Cherries, and all Seasonable Fruits, at Lowest Prices to be had in Town.

NOTICE TO FARMERS AND OTHERS

The Claresholm Poultry and Egg Marketing Circle was formed on Monday. Everyone with poultry or eggs for market is requested to become a member of this association at once. That no time be lost in completing the circle, the directors have appointed The Advertiser Office as the place where a membership list is open for the signature of those who may wish to join the Circle. For one month from date, a fee of 25c. will admit to membership and every producer of eggs or poultry should make applications at once.

W. J. Stephens,
Manager

An Egg Marketing Assoc'n

On Monday afternoon at the close of the public meeting, those interested in the formation of an egg circle decided to organize as "The Claresholm Poultry and Egg Marketing Circle." J. E. Moffatt was elected hon. president, Fred Anderson was elected the first president and R. K. Peck, the first vice-president. As Principal Stephen has offered the services of the staff of the School of Agriculture in the initial operations of this association he was elected to the office of secretary-treasurer. His offer of the use of the School as an assembling centre for eggs was gratefully accepted and Principal Stephen was appointed manager. He offered to accept without remuneration the duties of this office. A board of directors was chosen to consist of the three officers above-mentioned, together with Mrs. Leonard and Messrs. W. H. Boswell, W. J. McKenzie, A. E. Hunter, A. F. Boniface and S. L. Fraser. Stamps will be secured for the members for the purpose of marking each one's eggs for identification and classification. A meeting of the directors will be held shortly. In the meantime the desire to have as many members enrolled as possible.

Archbishop Begin, of Quebec, has been appointed a cardinal by the Pope's consistory at Rome.

Many Stay Horses on Reserve

Two hundred and thirty-four stay horses were rounded up on the Blood Reserve recently and the provincial band inspector read the brands. Between forty and fifty have been claimed, according to the Macleod Spectator. The owners of the animals may recover them by making an affidavit of ownership, describing the animals claimed and paying \$2.50 for the rounding up and brand reading and \$25.00 a day for holding beginning May 24th and \$2.00 for advertising.

RECRUITS WANTED

The 23rd Alberta Rangers will go to camp in Calgary on June 16th, 1914, for twelve days. A few good men are required to make up the strength of "A" squadron. The average pay with horse is \$2.00 per day. All who intend to enlist should make early application to Major C. W. James or to Capt. C. H. Westmore, Claresholm, Alberta.

ESTRAYED

Strayed on to the premises of Olen Nelson, sec. 24, tp. 13, rge. 20, W. 4th, in November last, one black gelding, rising three years old star in face and left front foot white. Percheron type, weight about 1500 lbs. no visible brand. Also one light bay filly, rising three years old, star in face, right hind foot white, weight about 1100 lbs., branded reverse of over half circle points upward on left hip. —6—8

The first draft of stations for the ministers of the Methodist Church in the province was made on Tuesday. No change is made in Claresholm or Stavelly circuits. Rev. J. M. Harrison and Rev. J. M. Fawcett being the present ministers in charge of these respective circuits. Other appointments in the adjoining circuits are: Banff—Geo. C. Payne; Rosemead—E. J. Staley; Badger Flats—F. Barneet; Livingstone—T. W. Reed; Carmangay—S. S. Pent. These stations are subject to alteration later.

Aims of the Egg Circle

The object of the egg circle is to bring about an improvement in the quality of Alberta farm eggs.

From visits made to the various wholesale egg receivers throughout the province it has been found that the eggs arrive in a most deplorable condition. The chief cause of this condition is due to broken, dirty and rotten eggs. This loss is charged back to the producer who pays the loss in the lower price received for his eggs.

By a co-operation among the producers, not only would the loss be largely eliminated but better price realized.

In brief the object of forming poultry producers, associations or egg circles is:

1. To improve the quality of the eggs as they leave the farm.
2. To place them in the hands of the consumer with the least possible delay and in the best possible condition.
3. To secure for the members the highest possible prices obtainable.
4. To improve the standing of the poultry industry of the province generally.
5. To assist each other to supply sufficient quantities to make larger shipments at less expense.

Federal Constituencies Named

According to figures compiled to show the population of each of the 12 federal constituencies in Alberta, the province is credited with a population of 374,863. Below are the names and population of the newly redistributed ridings. Claresholm is in the old Macleod riding which has not undergone much change of boundaries.

IN THE SUPREME COURT OF ALBERTA JUDICIAL DISTRICT OF MACLEOD

NOTICE

to **GEORGE COLEMAN**,
LATELY OF PARKLAND, ALBERTA.

TAKE NOTICE that an action has been commenced in this Court against you by R. S. Law to recover the sum of \$12,219.35 and interest from 1st of February, 1914, on agreement of sale dated the 1st of January, A.D. 1913, of the East half of Section 31, Township 24, Range 24, W. 4th M. in the Province of Alberta. You are to enter an appearance in said action at the office of the Clerk of the Court, Court House, Macleod, by the 11th day of July, A.D. 1914, and in default of your doing the plaintiff may proceed to judgment without further notice.

Dated at Macleod this 26th day of May, A.D. 1914.
W. M. CAMPBELL,
Solicitor for Plaintiff.

Stavelly Locals

BORN—To Mr. and Mrs. Wm. Scott, a son.

A. G. Ditto motored to Calgary on Monday.

F. S. Ditto and W. R. Brand left for Banff on Tuesday.

M. and Mrs. Creesman are spending a few days at Banff.

J. H. Beatty and J. Jones are unloading a car of settlers' effects.

Mrs. J. B. Robertson, of Retlaw, is visiting her brother, W. R. Brand.

Miss Jessie Brand has been visiting her sister, Mrs. J. B. Robertson, at Retlaw.

There are 400 attending the Alberta Methodist Conference at Calgary this week.

R. A. Hopkins and A. W. Hopkins left for Banff on Monday to attend the Masonic convention.

The sale of plants held by the Ladies' Aid Society of the Methodist church on Saturday was a success.

W. R. Brand, J. F. Crumley and Peter Bruhn motored to Claresholm on Monday and attended the Victoria Day sports.

Rev. H. M. Henderson was at Stavelly on Tuesday attending an organization meeting of the Women's Auxiliary of the Emmanuel Mission, Stavelly.

The Nanton Coal & Gas Co., with a capitalization of \$500,000 has been incorporated. This company has 2240 acres of land leased and will put a portion of its stock on the market at \$1 par.

The regular bi-monthly meeting of the Presbyterian Ladies' Guild was held at the home of Mrs. F. S. Ditto last Thursday. Fancy work for the fall bazaar was started under the direction of Mrs. P. Bruhn.

Two of the three slaves of Paymaster Wilson at Exshaw have been apprehended, one with the entire loot on his person. The third member of the gang is being trailed by a posse and his arrest is almost sure.

At Lundbreck, two companies are ready to drill. The Fossilville Oil & Petroleum Co., Ltd. capitalized at \$1,000,000 are getting in shape for drilling while the Faber-McKenzie interests have drilling machinery on the ground.

Geo. Harper, who was a student at the Claresholm High School and who has been taking his first year in Arts at the University of Alberta at Edmonton, passed successfully in all his subjects so far as could be learned taking an average of Class 11 standing.

The Ladies Guild of the Stavelly Presbyterian Church will meet at the home of Mrs. A. D. Irvine on Thursday, June 4th at 8 p.m., when material for the bazaar work will be distributed. A full attendance is desired. Those wishing to place special orders may do so by applying to Mrs. R. C. Hayward or Mrs. P. Bruhn.

A special meeting of the ratepayers of the Stavelly School District was held at the schoolhouse on Saturday morning. J. W. Wilford was unanimously elected to fill the vacancy on the board created by the resignation of G. H. Jaurnick. At a meeting held in the afternoon, Gus Macleod was elected secretary of the board. Applications for the position of principal were read and the board selected that of a graduate of McGill University.

C. & E. Train Time Changes

The summer schedule on the C. P. R. came in on Monday of this week. The north-bound trains leave now at 8:15 a.m. and 7:47 p.m., while the "dies" goes north at 12:05 p.m. The south-bound trains leave at 11:05 a.m. and 9:50 p.m., the "dies" passing at 5:59 p.m. This means but a few minutes difference from the old schedule but these few minutes will make a train.

Clareholm Locals

E. T. Gray has purchased the drilling rig of Fred Hall.

R. G. Hutchinson, of Lethbridge, was in town yesterday.

Mrs. Mark Drumm, of Frank, was here on Friday.

The Presbyterian Sunday School are picnicking at the creek to-day.

BORN—On Saturday, May 30th, to Dr. and Mrs. G. R. Brewster, a son.

Geo. Gibson has sold his place north of Cardston and is moving to this district.

John Stanek has just had a new well completed, drilling being in charge of E. T. Gray.

Fred Larson returned last week from an extended visit to relatives in the state of Washington.

Mrs. J. F. Reynolds will not receive after Friday, June 5th, for the balance of the season.

Just a reminder that one should be preparing for the Clareholm Fair on July 23rd and 24th.

Thos. Moore, Mrs. Frances Chamberlain and on Gerard, of the '14, spent a few days in town.

O. J. Amundsen and L. A. Welch returned to Lethbridge and filed on some more of the land in this neighborhood which was left for leasing.

S. G. Carlyle, P. R. Talbot and F. R. Blanchard, of Edmonton, registered at the Queen's on Thursday. They paid a visit to the School of Agriculture.

The Home Rule bill passed the House of Commons with a majority of 78. It goes to the House of Lords which will not deal with it till June 22nd.

Jas. McKinney was appointed a district secretary for temperance and moral reform for the Macleod District by the Alberta Methodist Conference at Calgary on Saturday.

A merry picnic party, the Misses Olive Solberg, Lilian Solberg and Gail Strong and Messrs. C. de Groff, Phil Williams and Alf Ellis, spent a few hours on Sunday by the cool waters of the creek at Sharples.

Geo. W. Scott, of Innisfail, who is connected with the livestock branch of the department of agriculture, addressed a meeting of the farmers at the Clareholm School of Agriculture on Monday.

C. J. Braren has been appointed manager of the Clareholm hall team in the Oil-Belt League. J. F. Reynolds' duties prevented him from accepting the position to which he was elected last week.

Mrs. M. Fisher left for Calgary on Tuesday where she will join Mrs. (Dr.) W. V. Dixon, and together they will pay an extended visit to Mrs. Fisher's parents in Walkerton, Ont.

D. Clarkson, manager of the Bank of Commerce, left on Monday for the East. When he returns this time he will be accompanied by Mrs. A. J. Smith, the accountant, who will be in charge at the bank during Mr. Clarkson's absence.

By request of Inspector Tucker Miss Shand officiated as stenographer at the court here on Friday last. This is the young lady's first appearance as court stenographer. His worship expressed himself as being well pleased with Miss Shand's report.

A singularly strange coincidence connected with the Empress of Ireland disaster is that on almost the identical spot where Clipperton, the murderer of Belle Elmore, was landed over to the arm of the law, Captain Kendall was snatched from the grip of death by one of the rescuing lifeboats.

The public school boys who went to Nanton carried with them such a blood-curdling yell that this alone may account for their success. Try it on the piano. "Chicka, chicka, chicka, chicka, Bow-wow-wow!" Gurnet and gill will always stay. Chicka, chicka, chicka, chicka, Choo-choo-choo "It sounds just as wild on the typewriter.

INTERESTED IN EGG CIRCLE

continued from page 1

to sell. The best feature of the plan seems to be that the local dealer will be compelled to adopt some such system by which the best eggs will command the best price and the inferior product be put where it belongs. The government would supply crates, etc., at cost prices. The different circles already in existence are pooling their freight, so that the circle 500 miles away from Calgary will pay equal freight with the circle 50 miles away. By the surety of the market every egg producer will strive for the best results. Alberta imported over \$100,000 of eggs to feed her 375,000 people. The Alberta hen should supply this herself.

School Boys Winners

The Clareholm public school baseball boys are keeping up the winning. They went up to Nanton on Saturday morning and in the afternoon played the school team of that town. The score showed rather heavy for baseball but good ball was played, the bad holes which mark the score in the fifth, sixth and eighth innings being due to stage fright or buck fever, whichever it is that sometimes takes the amateur. Mayor Holmes chaperoned the boys and very generously took a large portion of the expense upon his own shoulders. The lineup was as follows: For Clareholm, Tommie Ringrose, p; Ward Clark, c; Will Mackenzie, 1b; Alex Simpson, ss; Alfred Edlund, 2b; Douglas Miller 3b; Harold Soby, rf; Arthur Haig, lf; Morley Tillotson, cf. The Nanton team was made up of the following: F. Leck, p; A. Silbert, c; E. Hall, 1b; L. Toombs, 2b; W. Millson, 3b; L. Lilly, ss; L. Kenath, rf; B. Curtis, lf; J. Ross, cf. The score by innings was as follows:

1 2 3 4 5 6 7 8 9 TL
Clareholm 3 1 0 6 2 5 8 4 23
Nanton 2 0 1 3 5 1 2 0 1 15

Hints for Egg Producers

The following suggestions were called from the address of G. W. Scott, at the Agricultural School.

March, April and May are the nesting months. Seat the rooster after June 1st and eat him.

Exclude under the first layer and over the top layer in the egg crate will prevent shaking and consequent breaking.

If thin-shelled eggs appear, reduce amount of carbonaceous food if hens are fat. If not, feed more shell-forming food.

Washing eggs opens the pores to bacterial insulation and the eggs will spoil.

Hens which are working hard to free themselves from lay, will not work at eating very hard.

Decomposing grain fed to fowls affects the flavor of the eggs.

Skim milk is the cheapest form of feeding most likely to poultry.

Keep an old sack in which to throw egg-shells. When full, trample down. This furnishes a good quantity of shell-forming food for winter layers.

Feed in litter which is neither dusty nor wet. Dust or wet impairs the health of the egg-layer.

Hens incubating eggs in April are the winter layers incubating generally the eggs of the winter strikers.

Birds should not be fed too large quantities to yearling and two-year hens.

Hatching earlier than March is too expensive; later than May presents maturing before winter sets in.

A Rest Room for Ladies

The Advertiser office is at the disposal of the ladies who are waiting for friends on shopping days. Come and rest yourself while you wait, is a standing invitation.

Clear Lake

Road work will start in this district soon.

Crops are looking well but rain would be welcome.

J. Alfred Smith, of Clareholm, spent the weekend with Glen Nelson.

Born—To Mr. and Mrs. John J. Anderson, on Thursday, May 28th, a son.

They Shot the J. P.

J. B. Chives, a justice of the peace of Anisk, Sask., was shot dead while attempting to arrest three men suspected of breaking into a C. P. R. section house at Rought. The murder took place in a restaurant. The murderers escaped.

NECESSITY NOT VANITY

In the old days, when a person had a photo taken, he was considered vain, but in these modern times, when our friends and relatives move to new lands, we find a photo to be of real value, not only to preserve to distant friends the features of our children, but in keeping a family record of the changes that take place in such a few years.

If we only knew that one of our living children was to be suddenly taken away from us we would try to the nearest photographer and have his photo taken. Every family should be prepared for this and send their children photographed either separately, or in a family group.
